

ADSS Optical Cable Fittings Manufacturer

Overview

As you can see, there are different types of ADSS cable hardware that you can buy. One last thing that you should always remember is to choose a reliable ADSS accessories manufacturer. ADSS Accessories include Tension Assembly (Clamp), Suspension Assembly (Clamp), Optical Distribution Frame (ODF)/ Optical Termination Box (OTB), Optical Termination Box, Outdoor Splicing Box (Closure), any other required accessories. The offered tension clamp is suitable for the ADSS cable. Powertelcom tension clamps have a lifetime of at least 30 y. Re-enterable four-way water-proof and air-tight (at least up to 1 m depth of water) closure are supplied for different sizes of optical fiber Cables. The outdoor splicing box is a dome type. The closure is made of materials that are fire and chemical resistant and are mechanically strong (not break or deform when falling from a height of at least 5. Powertelcom can supply any other additional accessories required for the cable in addition to the tension and suspension clamp as mentioned above, such as down-lead clamp, cable storage, helical dampers. All the metals/ fastening clamps are Hot dip Galvanized. The fastening clamps size is as per the dimension of the pole and tower found during desi.
