

Alloy Cable Management Frame

Overview

It is an aluminum cable management arm designed to help eliminate cable stress and maintain a neat, organized cable layout within an enclosure or a rack. It includes an installation guide, mounting hardware, and mounting straps. ABB saves time and labor with its comprehensive lines of metal framing and cable tray, including the industry's only 100% plated products, our 1 1/2" modular system, and hundreds of accessories to complete any job. Mouser offers inventory, pricing, & datasheets for Aluminum Alloy Wire & Cable Management. Four channel profiles are available as plain back or slotted back variants and each can be assembled into multiple configurations when additional load carrying capacity is needed. With easy installation and strong corrosion resistance, it is ideal for both indoor and outdoor applications. Options that integrate with height adjustable worksurfaces deliver increased wellness to the workstation.
