

Automatic Fiber Optic Communication Company

Overview

Founded in 1984, AFL is a global fiber optic manufacturer and solutions provider offering cables, connectivity, fusion splicers, test equipment, and engineering services. At Connectix Communications Ltd, we provide reliable, bespoke network solutions across the Northwest, helping businesses, schools, and public institutions stay connected with minimal disruption. With over 35 years of experience in the telecommunications and network infrastructure. Acacia Communications, Inc. Established in 2009, Acacia has developed a range of products, including coherent optical modules and networking equipment, aimed primarily at cloud. OptronicsPlus is ISO 9001:2015 certified to Design, Manufacture, Supply and provide Installation of Data & Telecom network solutions (Copper and Fibre cabling) and equipment. This includes: AFL's service portfolio.
