

Ceiling Mount Bracket for Cable Trays

Overview

Metal support for the ceiling mounting of Rejiband® wire mesh trays and Pemsaband® sheet trays by means of a M8 or M10 threaded rod in electrical or telecommunications indoor installations. Made of steel with PG Protection System. Suspensions and clamps - Ceiling bracket. With the RS 60 cable tray installation system, we offer you the last installation type of the standard support construction, so that you can implement all installations required in the building project with circuit integrity maintenance on the basis of the standard support construction. 3599075861502 Haley LBC brackets are packed in multiples of 10. This allows them to be stored, transported, sold and used easily. All packaging material is either recyclable or biodegradable. Can also be fitted directly to a. A secure Cable Management system starts with the right support, and Cable Tray Brackets are the backbone that holds it all together.
