

# Dual-Power 2-Optical-4-Electrical Switch

## Overview

BL167GM-SFP is a managed industrial Ethernet switch with 2 Gigabit SFP and 4 Gigabit RJ45 ports, compliant with FCC, CE, and RoHS. It supports key Layer 2 protocols for stable communication, features fanless low-power design, wide -40°C to +75°C temperature range, and strong EMC performance. Ideal. The Exfo IQS-9100 Optical Switch Series provides highly accurate and repeatable fiber-to-fiber switching. The equipment can be managed, operated and maintained through mobile terminal, PC terminal and local terminal. The device connects optical channels by redirecting incoming optical signals into selected output fibers This is achieved using an. 2 optical 4 road 100M electrical ports + 2 road 100M FX optical port industrial-grade Ethernet switch, supporting 4 10Base-T/100Base-TX electrical ports and 1 100Base-X optical port. Products comply with FCC, CE, ROHS standards.
