

# Fiber optic terminal box FC10 port

## Overview

Enhance your indoor network with the 10-port fiber termination box, featuring integrated 1×2 FBT and 1×8 splitters for seamless, durable fiber optic connectivity in homes and businesses. Ensure neat cable management, secure connections, and fast installation with HOLIGHT. This well-considered solution provides a long service life and maximum investment protection. The FTB connect addresses different FTTH. Techlogiks fiber terminal box can be applied in the straight through and branch connection of indoor optical cables, available for the distribution connection of various optical fiber systems, fit for wall mounting. They are especially for mini network terminal distribution. Small Size, Light. FTTH Terminal Box Fiber Optic Distribution Box Fiber to the home (FTTH) infrastructures make network organizers adopt powerful management and planning systems, FTTH termination box and Fiber Optic Distribution Box is a small part of this system and provides a cost-effective solution for FTTH. This kind of outdoor fiber optical distribution terminal box from NEATEL is a specially designed 16-core optical fiber distribution box, intended to protect the connectors of optical cables.
