

Gyta outdoor optical cable brand

Overview

Zion Communication manufactures and exports outdoor duct fiber optic cables for global telecom infrastructure. Support GYTA, GYTS, GYFTY models with OEM branding, custom lengths, and fast delivery worldwide. Duct cables are. The GYTA outdoor fiber cable is built using single-mode or multi-mode optical fibers, ensuring low signal attenuation and high-speed data transfer over long distances. It's ideal for backbone networks, metropolitan area networks (MAN), and remote communication systems, making it a popular choice. The Bynet GYTS/GYTA Stranded Loose Tube Optical Fiber Cable is engineered for outdoor long-distance transmission and backbone network deployments. Featuring a multi-loose-tube stranded structure, the cable offers excellent mechanical strength, enhanced water blocking, and reliable performance in. GYTA stands out as an outdoor communication optical fiber cable.
