

International Fusion Splicing Optical Cable Price List

Overview

Browse verified fiber optic and cable splicing contractors across the country. Filter by service type and location. For most commercial projects, expect to pay \$50-\$150 per fusion splice point - but that number can swing in either direction based on the factors below. FUJIKURA Fusion Splicer, SUMITOMO Fusion Splicer, ELOIK Fusion Splicer, AFL Fusion Splicer, INNO Fusion Splicer, AFL Fusion Splicer, JILONG Fusion Splicer, DVP Fusion Splicer, COMWAY Fusion Splicer, TEKCN Fusion Splicer. *The prices on this table are only estimates, and are based on actual Fusion Splicer quotes submitted by KWIPPED Suppliers in the last 12 months. Actual Fusion Splicer prices vary greatly based on brand, model, condition (new or used), options. There are two primary methods of splicing fiber optic cables: fusion splicing and mechanical splicing. This guide breaks down the key cost-influencing factors across five dimensions—splicer types, technology, performance, accessories, and. Pre-terminated fiber assemblies are ideal for data center deployments because they enable high density, reduce labor and deployment time, and offer superior performance with less variability due to factory termination.
