

OPGW composite optical cable price

Overview

As of recent market analysis, the price range for OPGW cables is generally between RMB 10,000 to RMB 30,000 per kilometer. Optical fiber composite overhead ground wire (OPGW) 1. Application OPGW is mainly applied in communication line of newly constructed high voltage transmit electricity system with 35 KV or above, or replacement of existing ground wire of previous overhead high voltage transmit electricity system. Given the aforementioned factors, the price of OPGW cables in 2024 is expected to exhibit a mixed trend: In the early part of 2024, prices may rise due to ongoing supply chain challenges and the increased cost of raw materials. You can easily wholesale quality opgw cable at wholesale prices on Made-in-China. Choose Norden for the worldwide supply of OPGW Composite Optical Cable. Understanding these elements is crucial for making cost-effective decisions, as they significantly impact the price per meter. When. Overview of G652D OPGW Fiber Optic Cable (24, 36, 48, 96, 144 Cores) Optical Fiber Composite Overhead Ground Wire (OPGW) is a dual-purpose cable that integrates optical fiber units within the structure of an overhead ground wire.
