

PLC Fully Intelligent Power Distribution Box

Overview

The PLC LED Display Power Distribution Box provides intelligent control, alarm protection, and multi-mode operation for LED screens and industrial power systems. Available in 10KW-250KW capacities.,Ltd specializes in the production of PLC cabinets, inverter control cabinets, power cabinets, fan control cabinets, electric meter boxes, temporary electric boxes, GCK, GGD, MNS, GCS, ring network cabinets, central cabinets and other high and low voltage complete sets. Digital technologies such as Cloud Computing, Big Data, Internet of Things (IoT), Artificial Intelligence (AI) and Industry 4. 0 are phenomenon which are changing the world we are living in. To answer the most demanding market. number□PF0308005210D Power□80KW Main breaker current□160A Output circuit/current:5/63A Input Voltage□380V Output Voltage□380V Frequency□50HZ Control mode: PLC B. it can work compatibly with electronic computers for remote.
