

Swedish optical cable head manufacturer

Overview

Hexatronic Cables & Interconnect Systems manufacture fiber optic cable, duct, copper cable and network accessories. The company originates from the former Ericsson site in Hudiksvall. Their product range includes robust cables suitable for various environments, ensuring exceptional performance and fire. The fiber optic cable manufacturing industry in the Nordics is pivotal for enhancing global connectivity. NorthLab is a Gold Sponsor of OPD 2026, held in Jyväskylä, Finland – the largest yearly Photonics event in the Nordics. At NorthLab Photonics, Habia is a custom design and production partner for specialised cable and connectivity needs all over the world. But did you know our production has roots tracing back to 1888?

Come along for a quick history lesson. We partner with leading technology and network solution providers and hold numerous certifications and approvals from major switching and storage solution providers such as Brocade, Cisco and Dell. We have a global reach through our salesforce.
