

West African Smart Building Fiber Optic Cable Factory

Overview

The factory, built by Coleman Technical Industries Limited in collaboration with an American firm, Fibre Business, EMEA, is expected to boost innovation and development of Nigeria's digital economy infrastructure. Nigeria's digital infrastructure took a significant step forward with the commissioning of Africa's largest fibre optic cable factory and the continent's first fibre-reinforced plastic (FRP) manufacturing facility. Called the Coleman Wire and Cable Fiber Optic Company, the plant was built by wire and cable manufacturer Coleman Technical Industries Limited (CTIL), in. Otunba Niyi Adebayo, the Minister of Industry, Trade, and Investment, and Simbi Wabote, the Executive Secretary of the Nigerian Content Development and Monitoring Board, were among the well-known figures who pledged support as Prince Dapo Abiodun, the Governor of Ogun State, opened the West.
